Lodhi Estate, New Delhi – 110003

Himalaya—Mountains of Life

The coffee-table book takes us on a journey of biocultural discovery, from the great canyon of Yarlung Tsangpo and the Siang Gorge in the east to the Kali Gandaki Gorge in the west. Along the way, Himalaya demonstrates through breathtaking imagery and words, why the preservation of this heritage is so important—not just for us, but for the future of all life on Earth.
